DUFFERIN OPP LAY MULTIPLE CHARGES OVER THANKSGIVING LONG WEEKEND

FROM/DE: Dufferin Detachment

DATE: October 10, 2023

DUFFERIN OPP LAY MULTIPLE CHARGES OVER THANKSGIVING LONG WEEKEND

(DUFFERIN COUNTY, ON) - Members of the Dufferin Detachment of the Ontario Provincial Police (OPP) worked tirelessly to ensure the safety of our residents and visitors in Dufferin County over Thanksgiving weekend.

Between October 6 - October 9, 2023, members of the Dufferin OPP laid 239 total traffic related charges. Officers conducted several R.I.D.E. spot checks as well as conducting traffic enforcement with a focus on the "Big Four" which include impaired driving, distracted driving, speeding, and lack of seatbelt use.

The statistics speak for themselves, some drivers are still not getting the message.

- Speeding charges - 121
- Stunt/Racing - 9
- Impaired driving charges - 5
- Seatbelt charges - 12
- Other - 92

Dufferin OPP would like to thank the majority of road users that obey laws and assist in keeping our roads safe. Thank you as well to our hard-working officers last weekend for their efforts and dedication in keeping our communities safe.

If you suspect that someone is operating a motor vehicle, boat or off-road vehicle while under the influence of alcohol or drugs, do not hesitate to call 9-1-1. Highway, trail, and waterway safety is a shared responsibility. By working together, the OPP and members of the public can ensure everyone's safety.

Don't Ghost on Safety This Halloween

Tips to Help Keep Halloween Spooky yet Safe

(ORILLIA, ON) - With Halloween only a few nights away, the Ontario Provincial Police (OPP) has created a [fun safety video message](#) to remind trick-or-treaters, parents and drivers of some tips to ensure a spooky yet safe Halloween night.

Below are some additional pointers for a hauntingly safe and fun Halloween:

- Trick-or-treaters should always walk on a sidewalk if one is available and use crosswalks to cross the street.
- Parents are encouraged to dress their trick-or-treaters in bright colours to make them more visible to drivers. Ensure children's masks or other face coverings do not obstruct their vision.
- Before the Halloween festivities begin, create a "buddy system" to help get each other home safely and prevent walking alone.
- Drivers should expect to see more pedestrians on roads on Halloween. Be alert and slow down for trick-or-treaters.
- Stay particularly alert for trick-or-treaters who may come out from between parked cars or behind shrubbery. Stop for them and proceed with caution.
- Never use or look at your phone when you're driving. Driving needs your full attention, particularly on Halloween when there's an increased presence of pedestrians after dark.

Remember that safety is everyone's responsibility. If you see a suspected impaired driver, call 911 to report them. If you observe non-urgent suspicious activity, please call 1-888-310-1122. Happy Halloween from the OPP!

Message from the Detachment Commander

I am pleased to present the Dufferin 2021 Action Plan Progress Report. As we look back over the past year, we recognize the many policing successes we have had including:

- Increased engagement with community partners to bring awareness and assistance to those suffering from mental health.
- A healthy workforce ensuring the delivery of a professional, efficient, and effective police service.

We continue to focus on the reduction of harm and victimization, specifically violent crime, property crime, illicit drugs and cybercrime. Dufferin Detachment remains committed to a traffic safety approach that will change driver behaviours responsible for injuries and deaths on roadways, waterways, and trails. We will continue to partner, engage and educate to find solutions in demands for service involving persons with mental health illness or in a mental crisis.

As we look forward, we will continue to ensure our communities have the service delivery they require. The focus of the next year for our detachment will be:

- Strengthening partnerships to better support victims of crime through the judicial process.
- Changing driver behaviour by focusing on education and enforcement of “The Big Four” causal factors of fatal, personal injury and property damage motor vehicle collisions.
- Collaborating with stakeholders to enhance the community’s response to persons suffering from mental illness, with a goal of intervention before reaching a crisis point.

The dedication of our members, together with the support of our municipalities, will ensure our continued success in keeping our communities safe.

Terry Ward
Inspector
Detachment Commander
Dufferin Detachment, OPP

2021 Crime Progress Results

To address and prevent crime in our communities.

To identify alternative response solutions for non-police-related demands for service that impact police resourcing in our communities.

Commitment	Progress Status	Progress Update
<p>To address and prevent crime in our communities</p>	<p>Relevant Activity Underway</p>	<p>In January 2021, the Dufferin County OPP began creating a Community Street Crimes Unit (CSCU). By March 2021, there were 3 constables and 1 Sergeant dedicated to the CSCU. Throughout 2021, the CSCU engaged in 312 warrants, laying 708 Criminal Code, Controlled Drug and Substances Act, and Provincial Statute charges.</p> <p>Dufferin County OPP Officers and Auxiliary officers logged over a combined 2,400hrs of foot patrol. This focused police presence not only allowed the police to engage the community, but also was a strong preventative measure deterring criminality.</p> <p>Providing relevant advanced training to officers of Dufferin County OPP enables local officers to confidently investigate new trending criminal activities. Two Detectives were sent on the Human Trafficking course in Ottawa expanding the knowledge base of the crime unit.</p>

2021 Roadways, Waterways and Trails Progress Results

Increased safety in the community is achieved when motor vehicle collisions are reduced. Past analysis and targeted enforcement has resulted in a reduction in the number of motor vehicle collisions in the past and is expected to have the same result going forward.

A commitment by logistical company owners and operators to the proper maintenance of vehicles, and a reduction in commercial motor vehicle related incidents as a result of consistent activities by the Dufferin OPP and Central Region Traffic Management Team.

Increasing the apprehension and prosecution of violators who engage in Big Four activities, and reducing the number of Big Four behaviours, leading to safer communities.

Partnerships will lead to collaboration and cooperation to resolve situations that may result in unsafe driving behaviours such as speeding, disobeying signs and aggressive driving.

Commitment	Progress Status	Progress Update
To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions	Relevant Activity Underway	<p>Dufferin County OPP engaged in nine provincial traffic safety campaigns throughout 2021. This commitment to road safety resulted in nearly 7,000 'Big Four' charges in Dufferin County (speeding, seatbelt offences, impaired driving and distracted driving).</p> <p>The Detachment Commander created a Dufferin County OPP Traffic Management Unit in December of 2021 to further enhance the safety on our roadways.</p>

2021 Other Progress Results

Partnering with other community stake holders is paramount in meeting the needs of our community. There are many services available and by partnering with other services, our community will not only be safer but also have a better feeling of wellness.

Commitment	Progress Status	Progress Update
<p>Continue our partnership with the crisis workers of the Canadian Mental Health Association in order to provide real time assistance to those in mental health crisis and those with a substance abuse disorder.</p> <p>Involve social service stakeholders through continued officer referrals in an effort to ensure the appropriate resources are engaged.</p> <p>Develop additional relationships with our community partners to identify where police resources can be diverted and leverage available resources for those in mental health crisis and those with a substance abuse disorder.</p>	<p>Relevant Activity Underway</p>	<p>The collaborative partnership model that exists within Dufferin County has seen the OPP working alongside the community partners, in both “street level” activities and planning activities. Mobile Crisis Response Team (MCRT) proactively engages with vulnerable persons in our community, such as the homeless, to ensure that they are safe and to try and connect those willing to appropriate resources.</p> <p>The implementation of the MCRT in May of 2021 has had a significant impact on diverting persons from hospital. The training the dedicated OPP member of the MCRT team has done with frontline officers on the services available through MCRT as well as referrals to community partners, has been well received and we are seeing more frontline officers engaging MCRT and community partners, resulting in an overall reduction in persons being apprehended and taken to hospital. The training enables officers to better interact with individuals that are in crisis or going into crisis and provide effective reference to community partners who are best positioned to support and assist presentations.</p> <p>The partnership established with the Integrated Crisis Team continues to support diversion from hospital. The Integrated Crisis Team is made up of these community partners; OPP, Canadian Mental Health Association (CMHA Crisis), Services and Housing in the Province (SHIP), Family Transition Shelter (FTP), Peel Addiction Assessment & Referral Centre (PAARC), and Dufferin Child & Family Services (DCAFS). The ability to divert persons suffering from mental health to the Integrated Crisis Team, as well as having some capacity for CMHA Crisis workers to attend on scene, has made an impact.</p>
<p>To develop transfer of care protocols with relevant healthcare facilities.</p>	<p>Relevant Activity Underway</p>	<p>The COVID-19 pandemic has stalled further collaboration regarding formalizing a standard transfer of care agreement with local health centers. Discussions will continue in 2022.</p>

<p>To streamline collision reporting.</p>	<p>Relevant Activity Underway</p>	<p>At this time there is no Collision Reporting Center available at the Dufferin County OPP locations. Further solutions to streamlining collision reporting to be explored.</p> <p>Social media posts will continue to advise the public of safety measures to take after an accident, as well as the reporting structure.</p>

Charges are based on date charge added into the ICON system and not date of offence.

The change in methodology from ICON only to ICON and RMS was used to offset certain missing charge data points for the 2021 year. The ICON data is only available at the provincial level and is unable to be reduced to regional or detachment level accurately which is where RMS data is used. The new mixed methodology combines data from both ICON and RMS databases for a more accurate reflection of charge numbers.

Message from the Detachment Commander

I am pleased to present the Dufferin 2022 Action Plan Progress Report. As we look back over the past year, we recognize the many policing successes we have had including:

- The implementation of the Mental Health Crisis Response Team (MCRT) to better support and assist to those suffering from mental health in our community.
- Increased engagement and enhanced partnerships with community partners to better support victims of crime.

We continue to focus on the reduction of harm and victimization, specifically violent crime, property crime, illicit drugs, and cybercrime.

Dufferin Detachment remains committed to a traffic safety approach that will change driver behaviours responsible for injuries and deaths on roadways, waterways, and trails. We will continue to partner, engage, and educate to find solutions in demands for service involving persons with mental health illness or in a mental crisis.

As we look forward, we will continue to ensure our communities have the service delivery they require. The goals for next year for our detachment will be:

- Enhancement of the detachment offender management program with a focus on violent and habitual offenders and ensuring alignment with provincial strategies.
- A review of internal processes with the goal of promoting officer visibility and availability in the community by reducing administrative duties and tasks.
- A focus on intimate partner violence (IPV) investigations to ensure the immediate and longer-term needs of IPV victims are met while indicating to offenders that society does not tolerate violence.
- Continuing to promote traffic safety on our roads and trails by participating in local and provincial traffic safety initiatives as well as conducting proactive day to day enforcement and community engagement.

The dedication of our members, together with the support of our municipalities, will ensure our continued success in keeping our communities safe.

Inspector Terry Ward
Detachment Commander
Dufferin Detachment

2022 Roadways, Waterways and Trails Progress Results

Increased safety in the community is achieved when motor vehicle collisions are reduced. Past analysis and targeted enforcement has resulted in a reduction in the number of motor vehicle collisions in the past and is expected to have the same result going forward.

A commitment by logistical company owners and operators to the proper maintenance of vehicles, and a reduction in commercial motor vehicle related incidents as a result of consistent activities by the Dufferin OPP and Central Region Traffic Management Team.

Increasing the apprehension and prosecution of violators who engage in “The Big 4” activities, and reducing the number of “Big 4” behaviours, leading to safer communities.

Partnerships will lead to collaboration and cooperation to resolve situations that may result in unsafe driving behaviours such as speeding, disobeying signs and aggressive driving.

Commitment	Progress Status	Progress Update
<p>To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions</p>	<p>Success Demonstrated</p>	<p>Conducted directed blitzes in our communities to address local concerns with traffic safety, including cell phone, commercial motor vehicle safety and excessive noise enforcement. Led the province in total charges in several safety campaigns and conducted 225 festive Reduce Impaired Driving Everywhere (RIDE) events, checking over 8,500 vehicles for impaired drivers.</p> <p>Four ‘Black Cat’ speed monitoring devices have been deployed in several areas around Dufferin County. These devices have provided data that has assisted with directed traffic patrol and enforcement.</p> <p>Introduced two snowmobiles and two all terrain vehicles (ATVs) to the Dufferin OPP fleet, significantly expanding our ability to patrol the County’s trails. Five members have conducted 10 hours of snowmobiles patrol and six members have conducted 87 hours of ATV patrol.</p> <p>Regional Operations Analysts (ROAs) provided traffic complaint heat maps and data to Dufferin Detachment. This data is analyzed and shared locally to plan future initiatives.</p>

Charges are based on date charge added into the ICON system and not date of offence.

The change in methodology from ICON only to ICON and RMS was used to offset certain missing charge data points for the 2022 year. The ICON data is only available at the provincial level and is unable to be reduced to regional or detachment level accurately which is where RMS data is used. The new mixed methodology combines data from both ICON and RMS databases for a more accurate reflection of charge numbers.
