## DUFFERIN OPP WARN OF GRANDPARENT SCAMS AFTER TWO INCIDENTS IN DUFFERIN COUNTY

FROM/DE: Dufferin Detachment

DATE: July 19, 2022

### DUFFERIN OPP WARN OF GRANDPARENT SCAMS AFTER TWO INCIDENTS IN DUFFERIN COUNTY

**(DUFFERIN COUNTY, ON)** - Members of the Dufferin Detachment of the Ontario Provincial Police (OPP) are warning residents to be cautious of the Grandparent Scam following two close calls for families yesterday.

On July 18, 2022, at approximately 1:30 p.m., Dufferin OPP received a call for service from an elderly person who felt that they were possibly being taken advantage of. When officers arrived, they discovered that the person had received phone call from an individual posing as a lawyer who said that a "bail bondsman" was on the way to their home to pick up cash for their relative's bail. The "lawyer" then put a male posing as the relative on the phone to explain that they had been arrested and needed the bail money. The person then went to the bank and withdrew a large sum of money. The person then grew suspicious that this might be a scam and called the police. The officers assured the person that this was indeed a scam and assisted them in putting the money back into the bank.

At approximately 2:45p.m., on the same date, Dufferin OPP responded to a second residence for an elderly person who had received the same type of phone call. The person withdrew a large sum of money to pay to an individual who had called them to report an urgent situation requiring money. The person grew suspicious and called the police as they felt that this may be a scam. Again, the officers assured them that this was a scam and assisted with returning their money back to the bank.

It is common for people to feel embarrassed initially when they feel that they are being scammed. Therefore, these types of incidents are under reported. However, there is nothing to be ashamed of as the people that are making these phone calls are determined to get your money and are good at it. Dufferin OPP is grateful that these phone calls were reported yesterday and that there were not financially disastrous outcomes for these families.

#### **Grandparent/Emergency Frauds:**

In a typical emergency scam, the victim will receive a frantic phone call from someone claiming to be a grandchild or loved one. Quite often the calls are made in the middle of the night to cause further confusion and to come across as extremely urgent. Scammers will often state that they are not feeling

well, therefore, sound a bit different. The caller will explain that they are involved in some sort of trouble with the law or have trouble returning from a foreign country and need money right away.

The scammers will often request an electronic money transfer or money to be withdrawn and picked up by a courier service.

**Be aware of emergency scam warning signs:**

**Urgency:** The scammer always makes the request sound very urgent, which may cause the victim to not verify the story.

**Fear:** The scammer plays on the victim's emotions by generating a sense of fear. For instance, they may say, "I'm really scared and I need help from you now."

**Secrecy:** The scammer pleads with the victim not to tell anyone about the situation, such as, "Please don't tell my parents, they would be so mad."

To avoid becoming a victim, police advise to first check with another family member or trusted friend to verify the information BEFORE sending money.

## **DUFFERIN OPP WRAP UP LABOUR DAY LONG WEEKEND TRAFFIC CAMPAIGN**

**FROM/DE:** Dufferin Detachment

**DATE:** September 6, 2022

### **DUFFERIN OPP WRAP UP LABOUR DAY LONG WEEKEND TRAFFIC CAMPAIGN**

(DUFFERIN COUNTY, ON) - Members of the Dufferin Detachment of the Ontario Provincial Police (OPP) worked tirelessly to ensure the safety of our residents and visitors in Dufferin County over the last long weekend of the summer.

Between September 2-5, 2022, members of the Dufferin OPP participated in a provincial traffic safety initiative. The initiative focused on the "Big Four" which include impaired driving, distracted driving, speeding, and lack of seatbelt use.

The statistics speak for themselves, some drivers are still not getting the message.

- Speeding charges - 284
- Distracted driving charges - 13
- Impaired driving charges - 2
- Seatbelt charges - 87

Dufferin OPP would like to thank the majority of road users that obey traffic laws and assist in keeping our roads safe. Thank you as well to our hard-working officers last weekend for their efforts and dedication in keeping our communities safe.

If you suspect that someone is operating a motor vehicle, boat or off-road vehicle while under the influence of alcohol or drugs, do not hesitate to call 9-1-1. Highway, trail, and waterway safety is a shared responsibility. By working together, the OPP and members of the public can ensure everyone's safety.

## DUFFERIN OPP CONDUCTED A COMMERCIAL MOTOR VEHICLE BLITZ - Multiple charges laid

FROM/DE: Dufferin Detachment

DATE: September 12, 2022

### DUFFERIN OPP CONDUCTED A COMMERCIAL MOTOR VEHICLE BLITZ -

#### *Multiple charges laid*

(**Dufferin County, ON**) - Members of the Dufferin Detachment of the Ontario Provincial Police (OPP) with the assistance of the Central Region Traffic Incident Management and Enforcement Team, Ministry of Transportation and Ministry of Finance laid 56 charges and issued 30 warnings during a commercial motor vehicle safety inspection blitz.

The safety inspection took place September 8, 2022. Qualified officers set up an inspection station in the area of Highway 10 and Highway 89, to ensure safe operation by commercial motor vehicles (CMV) and other vehicles, as well. The goal of the campaign was to promote the safety of all road users throughout Dufferin Detachment area and reduce the frequency and severity of incidents involving Commercial Motor Vehicles, including a reduction in fatalities, injuries and property damage resulting from these incidents.

In addition to the above totals, the Ministry of Finance inspected forty trucks for fuel tax evasion. Of those trucks, four were also inspected for compliance with the International Fuel Tax Agreement (I.F.T.A.) provisions of the Fuel Tax Act.

One charge was initiated for "Motor vehicle - coloured fuel in tank" contrary to section 5 (3) of the Fuel Tax Act.

Road safety is a shared responsibility, and we all have a role to play. Commercial vehicles are heavy and require greater stopping distance. Motorists are reminded to leave plenty of space for these large vehicles to slow and stop safely.

Thank you to the majority of responsible drivers who contribute to safe roads. Please drive cautiously, courteously and report unsafe drivers to OPP at 1-888-310-1122 or 9-1-1 in emergency.

## Overview of Grants

**Community Safety and Policing Grant (Local Priorities) Mobile Crisis Response Initiative (MCRT)** is a 3-year grant cycle (2022 to 2025), and the Orangeville Police Service Board was awarded:

**\$449,232.36 provided for the Funding Years as follows:**

- First Funding Year (2022-23): \$149,744.12**
- Second Funding Year (2023-24): \$149,744.12**
- Third Funding Year (2024-25): \$149,744.12**

### Project Summary

Dufferin County is a diverse community that is “one of North America’s fastest growing regions” and has identified “mental health and wellbeing” as a priority area of focus (Dufferin County Community Safety and Well-Being Plan 2021-2024, May 13, 2021).

As the region grows and changes, the need for proactive, responsive Mental Health and Addiction (MHA) services continues to increase. Within the community today, there are a number of well-organized community and crisis response resources, however this grant offers the opportunity to expand the continuum of care for MHA clients to include a mobile co-response team which partners an officer and a skilled crisis worker to respond to all mental health calls within the community. This partnership offers an opportunity to operationalize a model for crisis response where the knowledge, skills and abilities of both police and clinical staff are paired to address a number of crisis response system/service utilization issues to benefit all citizens living in Dufferin.

The model of co-response is not only a viable intervention for all crisis situations, but a fiscally responsible approach that, over time, intends to reduce the policing and hospital costs associated with MHA individuals who are reactively engaging their services. It will allow the co-response unit to evaluate and resource community members in the moment of crisis and allow police officers to divert them from the ER and connect them to appropriate community partners for support.

Performance Measure	Baseline	Target	Yr. 1 Interim Results	Results Achieved	Comments
Increase in the percentage of individuals who are referred to the appropriate service provider(s) as a result of the initiative	Currently there are 38.7% of individuals are diverted from the hospital & referred to community partners	Over the 3-year grant cycle a further 5% increase the diversion rate where an individual was taken to hospital	In the interim period (Apr. 1, 2022, to Sep. 20, 2022) 203 of 308 were diverted from hospital or 65.91%	Yes	With the implementation of the MCRT Team the results have been <b>outstanding</b> in diverting individuals from the ER at the local hospital to appropriate community service providers

**Victim Support Grant** is a 2-year grant cycle (2021 to 2023), and the Orangeville Police Service Board was awarded \$45,387.00 for the Mobile Technology Unit and Training Initiatives.

**Payment Schedule:**

\$45,387.00 provided for the Fiscal Years as follows:

- Year 1 (2021-22): \$22,657.00
- Year 2 (2022-23): \$22,730.00

**Project Summary:**

The funding received has assisted in setting up an innovative mobile solution that allows victims and survivors of intimate partner violence and human trafficking to engage with the police from the comfort of their homes or other neutral locations. Officers can record victim statements in a setting that is more comfortable for the victim, rather than at a traditional police detachment. This mobile solution also addresses the transportation disparity within Dufferin County where many areas are rural and isolated from community supports and services. This solution brings services to victims and survivors, rather than requiring them to find transportation, enhancing the ease in which victims and survivors access supports and services through the collaboration of Dufferin OPP and our community partners.

Training has been provided to Dufferin OPP officers and our community support partners on the use and function of the new equipment.

<b>Expected Outcomes</b>	<b>Performance Indicators</b>	<b>Baseline (Starting point for assessing changes in performance)</b>	<b>Target (Expected future performance)</b>	<b>Current Stats</b>
Through the Dufferin Integrated Crisis Team provide mobile counselling and support to victims of intimate partner violence and human trafficking when police are on scene	% Of victims that are supported on scene through Family Transition Place (FTP) & the Integrated Crisis Team	New initiative -To be established	20% increase in the number of victims supported on scene	In the 1st yr. of the grant - FTP/Integrated Crisis Team – Responded to 13 active incidents on scene with Police. Dufferin Child And Family Service who are part of the Integrated Crisis Team responded to 12 active incidents (involving children) on scene with police. <b>Since April 1, 2022, to Sept. 30, 2022, there have been 15 incidents that FTP responded to with police and Dufferin Child and Family Service who are part of the Integrated Crisis Team responded to 1 active incident (involving children) on scene with police.</b>

**Ride Grant** is a 2-year grant cycle (2022 to 2024) and the Orangeville Police Service Board applied for \$27,566.22 in collaboration with the OPP.

**Payment Schedule:**

\$27,566.22 applied for the Fiscal Years as follows:

- Year 1 (Apr. 2022- March 23): \$13,783.36
- Year 2 (Apr 2023-March 24): \$\$13,783.36

# *Work happening since Spring Conference*

## Community Safety Policing Act

- Election and introduction of new Solicitor General His Honourable Michael Kerzner
- Very positive discussions with a focus on working together – Ministry and all partners
  - Work on regulations to commence again soon – Targeted engagement meetings
  - No news yet on the date of proclamation or “in-force” date
- Several discussions regarding what is needed to support the successful transition to the new act for boards and police services
  - Recognition that time will be required after the regulations are complete and proclamation of the act occurs for Boards and services to be compliant.

## Provincial Appointees

- Expect that shorter term renewals will happen for positions that are currently filled (for members who's terms are up during the transition)
- Vacant positions will remain vacant -
- For situations where boards are significantly challenged due to these vacancies, request consideration to fill - I will forward to the Ministry appointments for consideration to fill vacant position
- Once proclamation of the act occurs the Ministry will work at filling the provincial appointees under the new structure of the boards. It is looking like these members will be identified prior to municipal and community representatives

## Training

- Partnering with the Ministry in the development, delivery of mandatory training
- Will be selecting members from boards to participate in the testing and review of the modules
- Mandatory training requirements - set time to complete. Some prior to assuming position - other training may provide a timeline for completion
- OAPSB will be monitoring compliance of board members completing mandatory training and supporting boards with any challenges or issues.
- This is only one aspect of training - will be outlined in Strategic Plan -- Fall 2022

If an in-camera item is described in the AR in a sufficiently generic way, it may not be necessary to prepare a second version of the AR for public disclosure (i.e., the AR may be publicly disclosed as is). However, generic wording should not be used in such circumstances if it compromises the level of detail required to properly convey the AR tasks to the Board for the sake of expediency in using generic wording for purposes of having a single AR version.
- (b) At the beginning of each year a new Action Register will be created showing only in progress items and the previous years Action Register will be archived.
