Noise Reporting Package

The Town recognizes that noise impacts our quality of life, therefore, Noise By-law 2024-023 regulates noise that, at the point of reception, by its volume or nature, is likely to disturb inhabitants.

The first step in the noise reporting process is to complete and submit the Noise Report Witness Form and Noise Report Record Form. Once the completed documents have been received, By-law staff will complete a review and notify you as to whether a Notice of Violation will be issued. The decision to issue a Notice of Violation is based on a review of the evidence and whether there is a reasonable prospect of conviction. Please provide photocopies of any documents you submit and retain the originals as you may be required to produce them as evidence in court.

If a Notice of Violation is issued you are required to monitor and document the noise on a second Noise Record document over a subsequent two-week period.

If the situation is not satisfactorily resolved, and upon receipt of the second Noise Reporting Record Form, legal action will be initiated and the property owner and/or person responsible for the noise will be required to attend Court.

At a first court appearance, the individual(s) charged are given the opportunity to plead guilty, at which time the Court may impose a penalty. If the individuals plead not guilty the matter is adjourned and a court date will be set for a trial. You will be notified and must appear in Court with your noise records on the court date for a trial to proceed.

Please be advised that your name, address, and phone number are confidential when the Town of Orangeville receives your complaint. However, if the matter proceeds to Court, your name and that of any witnesses becomes part of the public record.

Please find enclosed the following documents:

- (i) Noise Reporting Witness Questionnaire **(which must be completed in full and returned)**
- (ii) Noise Reporting Record Form **(which must be completed in full and returned)**

We encourage complainants to use cell phone video evidence whenever possible. If you capture the noise on a smart device, please download the files to a memory stick and submit that along with your Noise Reporting Record.

Please forward your completed Noise Reporting Witness Questionnaire and Noise Reporting Record to 87 Broadway, Orangeville, ON L9W 1K1 by mail, in person, or email to bylaw@orangeville.ca

In addition to this process, you may wish to seek independent legal advice as there may be various civil remedies available to you.

If you have any questions or require clarification on the noise reporting process, please contact our office at bylaw@orangeville.ca or 519-941-0440.
