SCHOOL HAS RETURNED ACROSS DUFFERIN COUNTY AND DUFFERIN OPP REMINDS MOTORIST TO STOP FOR SCHOOL BUSES WHEN RED LIGHTS ARE FLASHING

SCHOOL HAS RETURNED ACROSS DUFFERIN COUNTY AND DUFFERIN OPP REMINDS MOTORIST TO STOP FOR SCHOOL BUSES WHEN RED LIGHTS ARE FLASHING

(DUFFERIN COUNTY, ON) - The Dufferin Detachment of the Ontario Provincial Police along with area school bus drivers would like to remind all drivers that a stopped school bus with its red overhead flashing lights and extended stop arm requires all approaching drivers to stop and not pass by the bus. Drivers should also adjust their speed and be aware of extra vehicle traffic and pedestrian traffic during school times in school areas and zones.

For more information please view the following Ministry of Transportation link - <https://www.ontario.ca/document/official-ministry-transportation-mto-t-uck-handbook/stopping-school-buses>

Points to Remember

- Focus 100 per cent of your attention on the road and put away unnecessary distractions.
- Slowdown in school zones and respect the posted speed limit. There will be a high volume of students traveling between home and school by bus, on foot and by bicycle.
- Be aware of school buses with their yellow then red flashing lights activated. The fine for passing a school bus with its red lights activated is \$490 minimum and six demerit points.

In Closing

In response to an increase in complaints of vehicles not stopping for school buses in Dufferin County, officers will be conducting extra patrols during school hours. Drivers that are found in violation will be served a Provincial Offences Notices for "Failing to stop for a School Bus" that comes with a price tag of \$490.00 and six demerit points upon conviction. I STOP YOU STOP

Members of the Dufferin Detachment of the Ontario Provincial Police are committed to public safety, delivering proactive and innovative policing in partnership with our communities. Officers value your contribution to building safe communities.

-UPDATE- ENHANCING MOTORIST SAFETY THROUGH THE "SAFE ON 10" INITIATIVE Wrap up – results are in

FROM/DE: Dufferin Detachment

DATE: September 18, 2023

-UPDATE-

ENHANCING MOTORIST SAFETY THROUGH THE "SAFE ON 10" INITIATIVE

Wrap up - results are in

(DUFFERIN, ON) - Several Detachments of the Ontario Provincial Police (OPP) conducted a road safety initiative with a focus on speeding and aggressive driving behaviours from September 13, to 15, 2023. Officers from Dufferin, Caledon, and Grey County OPP detachments, as well as the Central Region Traffic Incident Management Enforcement team supported by OPP Aerial Support Unit participated.

The Hwy 10 corridor runs for approximately 137 km, stretching from Brampton in the South to Owen Sound in the North. Over the past few years there has been a noticeable rise in motor vehicle collisions involving property damage and personal injury along this corridor. Aside from the volume of collisions increasing, the severity of collisions that take place on Highway 10 and other similar secondary highways is a significant factor.

This initiative was intended to raise awareness amongst motorists in relation to the inherent dangers involved in operating a motor vehicle on a secondary highway, such as intersection related and head on collisions.

The results for "Safe on 10" indicates that some motorists are still not getting the message.

September 13th:

- Highway Traffic Act Charges - 192
- Warnings - 30
- Criminal Code Charges - 12
- A loaded Firearm and a quantity of Cocaine and Fentanyl seized.

September 14th:

- Highway Traffic Act Charges - 195
- Warnings - 18
- Impaired Driving Charges - 2

September 15th:

- Highway Traffic Act Charges -138 (Mainly Commercial Motor Vehicles)
- Warnings - 31
- Impaired Driving Charges - 2

On Friday September 15, 2023, officers focused on Commercial Motor Vehicles with the following results:

- 49 Level 1 Inspections
- 12 of which were placed "Out of Service"
- 8 Level 2 Inspections
- 2 Level 4 Inspections
- Fuel Inspectors inspected 33 Diesel Fuel Vehicles and 1 Charge was issued.
- 3 Plates were removed from vehicles
- 6 Vehicles received Clean Inspections and were provided a CVSA Decal

Dufferin OPP would like to thank the majority of road users that obey laws and assist in keeping our roads safe. Thank you as well to our hard-working officers who worked diligently during this initiative.

Subject: Operation Impact - 06Oct23 - 09Oct23

Good evening, PSB Chairs,

I am pleased to begin my first week as a proud member of the Dufferin Detachment. I began this exciting new role on Monday, October 2. In just a few short days, I have grown incredibly impressed and proud of the outstanding members of Dufferin Detachment who work extremely hard to ensure the safety and security of our County. I look forward to meeting each one of you 1:1 (in-person, virtually or by phone) in the coming weeks and will send a separate email next week.

As we enter the Thanksgiving long weekend, I wanted to announce the Canadian Association of Chief's of Police (CACP) annual Operation Impact that runs from Friday, October 6 to Monday, October 9. *Operation Impact* is a public awareness campaign that takes place each Thanksgiving weekend. This campaign focuses on education and enforcement of impaired driving due to alcohol, drugs and fatigue, aggressive driving, distracted driving and the use of seat belts and child car seats. These are the main causes of death and injury on Canadian roadways. A toolkit is produced for all policing partners across the country to help promote events being planned in their respective region, to respond to inquiries, and to generate media and public interest. Please visit [Operation Impact - CACP](#).

Messaging about CACP's Operation Impact has been put out through our Commissioner's Twitter account (2) [Thomas Carrique on X: "In 2022, #OPP officers laid 8,000+ charges during Operation Impact, a @CACP ACCP-led traffic safety campaign. As you head out to enjoy your long weekend, please drive safely and responsibly. Take 0% risk, be 100% thankful. #OperationImpact2023 https://t.co/x0y20CwAJv" / X \(twitter.com\)](#). Results of the campaign will be posted on the Commissioner's Twitter account at the end of the campaign. Sgt Terri-Ann Pencarinha will promote noteworthy stories on the Central Region OPP Twitter account (2) [OPP Central Region \(@OPP CR\) / X \(twitter.com\)](#) using #DufferinOPP. Please feel free to promote Operation Impact by "re-Tweeting" any posts on your respective corporate/personal accounts if you wish to share the word about Dufferin Detachment's commitment to supporting road safety this weekend.

Members of the Dufferin Detachment will be focused on the mission of Operation Impact this weekend keeping our roadways safe during Thanksgiving. I look forward to working alongside our officers on Saturday conducting high volume traffic stops and enforcement of the "Big Four".

I will share the results of our detachment's efforts over the campaign with you all on Tuesday morning.

On behalf of the members of the Dufferin Detachment, we wish you and your residents a safe, healthy, and happy Thanksgiving long weekend. Please join us in encouraging our County to always drive responsibly by not driving impaired, aggressively, distracted, and/or without their seatbelts.

Please contact me if you have any questions or concerns.

Take care,

- 6.3. Prior to submission the DC or designate must approve the grant submission by way of a confirming email to the Executive Assistant. A representative from any signatory stakeholder groups should approve the grant application as well.
- 6.4. The Executive Assistant will confer with the Town of Orangeville Finance Dept. to review the grant application particularly in relation to the provincial transfer payment ("TPON") requirements.
- 6.5. The Board Chair will sign each grant application prior to submission.
- 6.6. Each grant application will be submitted as per Ministry instructions either through the TPON portal or directly emailed to the Ministry representative.
- 6.7. If the grant application is successful, the Board will receive notification from the Ministry as well as a Transfer Payment Agreement ("TPA").
- 6.8. The TPA must be reviewed by the Town of Orangeville Treasurer or designate, signed by the Board Chair and submitted to the Ministry. As required, a Certificate of Insurance must be submitted with the TPA as in the case of the Community Safety and Policing Grant. The Certificate of Insurance generally needs to include the following:
 - (a) a provision indemnifying "His Majesty the King in Right of Ontario, his Ministers, Agents, Appointees and Employees";
 - (b) the name of the Board is included under "insured";
 - (c) the name of the grant (e.g., Community Safety and Policing (CSP) Grant); and
 - (d) coverage for \$5 million.
- 6.9. Each grant will have a different application date and grant cycle. (e.g., the CSP grant has a three year. grant cycle and the MCRT grant is a 1 yr. grant). All grants have different reporting periods. Most grants have an interim report due mid-year of the grant and a final report due at the end of each grant year.
- 6.10. The Executive Assistant will work with the OPP and the community stakeholders to submit all required reporting as outlined in the TPA by the required deadlines. The reporting varies on each grant, but most grants require the following annually:
 - (a) an Interim Financial Report;
 - (b) an Interim Activities Report;
 - (c) an Interim Performance Measures Report;
 - (d) a Final Financial Report;
 - (e) a Final Activities Report; and

- (f) a Final Performance Measures Report.
- 6.11. An authorized signing officer for the Recipient (generally the Board Chair), will verify the accuracy of and sign all reports.
- 6.12. In the past three years the Board has submitted applications for the following grants:
- (a) **Community Safety and Policing (CSP) Grant** provides police services with the necessary tools and resources to enable deployment of front-line officers where and when they are needed most, as well as support police services as they implement public safety and community policing initiatives that focus on local or provincial priorities. - In August 2023, the majority of detachments have received correspondence from the Ministry of the Solicitor General detailing that their OPP Detachment Board proposal was approved by the Solicitor General
- The remaining proposals required final confirmation or communication with local First Nations. The Ministry will be sending out letters for those detachments in September and early October as each proposal is finalized
- Once all proposals are finalized, a regulation with the compositions for all detachments will be posted on the Ontario Regulatory Registry for public review and comment
- The Ministry will be reaching out to the designated detachment leads to collect needed information, including: the preferred name of your board, key contact person, mailing address, email address, phone number and other identifying information (e.g., website).  - Remuneration being paid to Board members across the province. – Results of the survey are expected by the end of the year.

The OAPSB knows that WSIB claims are a concern for members and the OAPSB wants to help advocate for members on this topic. In order for the OAPSB to do this successfully, they will need to gather important data regarding past WSIB claims.
 - Mr. Thomson noted there was a fair bit of work involved in completing this survey by the deadline date of September 18, 2023. If any members felt they needed additional time to complete the survey they should reach out to Jennifer and advise her.

- In August 2023, the majority of detachments have received correspondence from the Ministry of the Solicitor General detailing that their OPP Detachment Board proposal was approved by the Solicitor General
- The remaining proposals required final confirmation or communication with local First Nations. The Ministry will be sending out letters for those detachments in September and early October as each proposal is finalized
- Once all proposals are finalized, a regulation with the compositions for all detachments will be posted on the Ontario Regulatory Registry for public review and comment
- The Ministry will be reaching out to the designated detachment leads to collect needed information, including: the preferred name of your board, key contact person, mailing address, email address, phone number and other identifying information (e.g., website). This information is needed to assist with the coordination of provincial appointments

 - Advocacy
 - Human Resources
 - OMERS; and
 - The Finance Committees.
- The new OAPSB website and new application were also presented at that meeting and both should be available to members soon

 - Remuneration being paid to Board members across the province. – Results of the survey are expected by the end of the year.

The OAPSB knows that WSIB claims are a concern for members and the OAPSB wants to help advocate for members on this topic. In order for the OAPSB to do this successfully, they will need to gather important data regarding past WSIB claims.
 - Mr. Thomson noted there was a fair bit of work involved in completing this survey by the deadline date of September 18, 2023. If any members felt they needed additional time to complete the survey they should reach out to Jennifer and advise her.

**Ontario's First Inspectorate of Policing:
Working Together to Improve Performance
and Confidence in Policing**

Joint Zone 5 OACP/OAPSB Meeting

September 12, 2023

The public has every interest in police services, police services boards, and other policing organizations succeeding in their important goal of keeping everyone safe.

The Inspectorate of Policing (Inspectorate) is the first of its kind in Canada. It will drive improvements in policing performance through a robust system of advising, monitoring, inspecting, and investigating supported by data collection, analysis and interpretation.

We will work with you to ask the questions the public deserves to have answered, apply our expertise to the evidence, and, where necessary, use the tools in our toolbox to improve our policing system.

Policing partners play a crucial role in bringing the mandate of the Inspectorate to life.

We are taking the first steps on this journey together.

Policing Modernization

- The *Community Safety and Policing Act, 2019* (CSPA) brings transformative change to Ontario's policing landscape, including the:
 - Creation of the Inspector General of Policing of Ontario; and,
 - Dissolution of the Ontario Civilian Police Commission with certain functions moving to the Inspector General.
- Currently, several regulations related to the CSPA are available on the Ontario Regulatory Registry for comment and feedback.
 - Further regulations will be posted on the registry over the coming months.
- The ministry is working to bring the CSPA into force in **spring 2024**.

Our Mandate

- Support the delivery of the Inspector General's duties and authorities to:
 - Assess and monitor policing entities;
 - Provide advice/support to policing entities;
 - Conduct inspections to ensure compliance with the CSPA and its regulations;
 - Investigate complaints about the delivery of policing services and the conduct of board members; and,
- Publicly report on the activities of the Inspector General.

Our Vision

- The Inspector General and the Inspectorate will improve performance in policing and make everyone in Ontario safer by:
 - Examining performance through inspections, investigations, and research, data and analytics to drive evidence-based actions;
 - Identifying effective performance and where improvements are needed, supporting the sector's continuous development, and,
 - Ensuring that the policing sector is responsive to the diverse communities it serves.

Our Commitment

- Partnership and collaboration to ensure the sector's success.
- Taking a fair approach.
- Prioritizing transparency, accountability, and legitimacy in policing.
- Using data and analytics and our expertise to power insights and support the sector forward.
- Advancing our work based on a foundation that values diversity, inclusion, accessibility, and anti-racism.

Inspector General's Authorities

- The Inspector General can **issue directions** to ensure compliance with the CSPA and its regulations and impose measures if there is a failure to comply.
- The Inspector General may make **an order** requiring a police services board to provide policing in an area deemed to be inadequately served or in an emergency.
- If there is evidence that a board member has committed **misconduct**, the Inspector General may reprimand, suspend, or remove the member from the board.
- If there is evidence of CSPA non-compliance, the Inspector General may issue **directions** and impose **measures** to prevent or remedy non-compliance.
- The CSPA outlines the **process** the Inspector General will need to follow **before imposing** measures, and they would only be imposed after the entity fails to comply:
 - **Fair approach** that includes appropriate procedural fairness safeguards.

Role of the Inspector General

- The Inspector General is an Order-in-Council five-year appointment, renewable for an additional term.
- The Minister cannot direct the Inspector General or any inspectors with respect to the performance of the Inspector General's functions under the CSPA. Activities and decisions related to the Inspector General's functions will be:
 - Managed within the Inspectorate to ensure confidentiality; and,
 - Supported by future independent legal counsel and communications ability.
- This relationship between police oversight bodies and the government is not new to Ontario.

Our Structure

Office of the Inspector General

- Decision-making supported by legal counsel and communications.

Investigations, Inspections and Liaison Branch

- Relationship-focused, liaison and advice to help navigate issues and provide compliance advice to support success.
- Advice and support for First Nations services and boards that opt into the CSPA.
- Monitor and conduct inspections of police services to ensure compliance with the CSPA and its regulations.
- Investigate complaints concerning the delivery of policing services and the conduct of police board members.

Centre of Data Intelligence and Innovation

- First of its kind data powerhouse to help the sector identify effective performance, and support continuous development and evidence-based decision-making.

We are taking the first steps on this journey together

- We are committed to supporting your readiness and transition to the CSPA:
 - Our Police Liaison Advisors will continue to:
 - Share information and engage with you;
 - Help navigate local issues and provide support in taking steps to comply; and,
 - Build our relationships with you and support your success.
 - Our Inspections Unit is currently conducting an inspection on Public Order Units under the PSA and the O.Reg. 3/99 Adequacy and Effectiveness of Police Services.
 - Our Centre of Data Intelligence and Innovation will engage with policing entities to establish the type of information we will be collecting from the sector.

Supporting your readiness and transition to the CSPA

- We encourage you to:
 - Review the CSPA framework;
 - Review the regulations posted on the Ontario Regulatory Registry and provide feedback;
 - Identify a lead within your organizations;
 - Seek information and support from your Police Liaison Advisor, ask questions;
 - Work together with your board, the OACP and OAPSB to raise questions and share perspectives; and,
 - Engage with your legal counsel to ensure understanding.

Working together to improve performance and confidence in policing in Ontario.

If an in-camera item is described in the AR in a sufficiently generic way, it may not be necessary to prepare a second version of the AR for public disclosure (i.e., the AR may be publicly disclosed as is). However, generic wording should not be used in such circumstances if it compromises the level of detail required to properly convey the AR tasks to the Board for the sake of expediency in using generic wording for purposes of having a single AR version.

Members present: Chair T. Taylor
Vice-Chair I. McSweeney

Staff present: Mary Lou Archer, Executive Assistant

Guests present: David Smith, Town of Orangeville CAO

1. Vice-Chair McSweeney provided an overview of the Board governance project in follow-up to his presentation to Council on September 11, 2023. V.C. McSweeney reviewed Policy D3(p) on Business Planning and invited CAO Smith's input. CAO Smith advised he has worked with both municipal and OPP police services boards in the past. V.C. McSweeney reviewed the policy in relation to consultations as follows

- Policy sec. 6.2(a)(iii)

(iii) if Town Council chooses, the joint determination, and participation in, the consultation processes for the development of the Business Plan

- Policy sec. 7.3:

“ASR paragraph 32(1)(d) requires the Board to enter into a protocol with Town Council that provides, if Town Council chooses, the joint determination and participation in the consultation processes for the development of the Business Plan. Town Council has decided to participate in the consultation process, but not to require joint determination under ASR 32(1)(d)’.

CAO Smith advised that in his opinion the Board has a responsibility to let Council know they are starting the consultation process and involve Council members in the discussions, but he does not see the Business Plan as requiring “joint determination” or co-approval in terms of the final decision to adopt the Business Plan. He feels that we have an independent board of experienced and appropriate members to work with the OPP on the Business Plan and consult with Council during that process prior to the Board's adoption of the final Plan. In this regard

CAO Smith advised it is important that Council and the Board have regular conversations. He said it makes sense for Council to receive the final Plan from the Board once adopted. Chair Taylor advised that Council have an opportunity to review the Business Plan once the Board has approved it.

2. V.C. McSweeney advised that there are two policies the Board would like to have Council co-sign with the Board as follows:

- Policy D3(p) - Business Planning; and
- Policy D3(r) - Protocol for Information Sharing

3. Next Steps - David Smith advised he would review the above outlined policies and provide his recommendation to Council. Chair Taylor will then place the two policies on a Council meeting agenda for review and decision on co-signing.

Members present: Vice-Chair I. McSweeney

Staff present: Mary Lou Archer, Secretary

Guests present: Inspector M. di Pasquale, Detachment Commander
Staff Sgt. C Trewartha

1. Vice-Chair McSweeney provided an overview of the Board governance cover memo with the OPP and invited their input. V.C. McSweeney explained that one of the key purposes of this document and the corresponding policies is to provide institutional memory for future police service boards and Town Councils.
2. Specific discussion occurred in relation to the following policies:
 - D3(a)
 - D3(l)
 - D3(n)
 - D3(o) revised.
 - D3(p)
 - D3(q)
 - D3(m)
 - D3(s)
 - D3(t) revised plus the Workplan.
 - D3(u)
3. It was discussed that in relation to policy D3(o) that rather than the DC providing a copy of all the policies referenced in this policy it would be sufficient that the DC

provide confirmation that the ASR s. 29 policies are compliant as part of the DC's Annual Report.

4. Further it was determined that the DC's confirmation of ASR s.33 Police Service Skills Development Plan could be provided as part of the DC's Annual Report rather than a copy of the plan itself;
5. V.C. McSweeney agreed to make the above revisions as well as revise D3(t) reflecting the above;
6. Exec. Asst. Archer will send the above policies to Insp. di Pasquale and S/Sgt. Trewartha for review. The OPP advised that any specific policy requests would need to be circulated to their Head Quarters.
7. The OPP will review the policies and respond to the Board with their feedback.
