

The Corporation of the Town of Orangeville

By-law Number 2023-032

A by-law to amend Traffic By-law 78-2005 to establish no parking on local streets within the Town of Orangeville

Whereas Section 11 of the Municipal Act, 2001, as amended, authorizes municipalities to pass by-laws prohibiting or regulating parking on highways and on properties other than highways;

And whereas Section 102 of the said Act authorizes municipalities to pass by-laws requiring the owners or operators of parking lots or other parking facilities, to which the public has access, to provide designated parking spaces for the use of vehicles operated by or carrying persons with disabilities;

And whereas Sections 100 through 101 of the said Act authorizes municipalities to pass by-laws for prohibiting unauthorized parking on municipal or private property;

And whereas the said Act provides that fines may be charged for breaches of bylaws passed pursuant to the powers set out therein and further provides for the removal, impounding or restraining or immobilizing of any vehicle parked on a highway or on municipal property in contravention of a by-law or of the Highway Traffic Act, as amended;

And whereas the Highway Traffic Act, R.S.O. 1990, c.H.8 authorizes a municipality to designate parking restrictions;

And whereas the Corporation of The Town of Orangeville is desirous of regulating traffic and restricting parking on highways within its boundaries and on municipal properties;

Now therefore be it resolved that Council for The Corporation of the Town of Orangeville hereby enacts as follows:

1. That the current Schedule "A" (No Parking Where Signs Posted on Highway) be deleted and replaced with a new Schedule "A" (No Parking Where Signs Posted on Highway)
2. That the amendments detailed in Schedule "A" attached to this By-law come into effect once the regulatory signs have been installed;

Read three times and finally passed this 17th day of April, 2023

Lisa Post, Mayor

Carolina Khan, Clerk
